						requests ($50 approval clause never triggered). Asks fee waiver, email delivery at no cost, itemized minutes for any claimed time, written approval before any charge over $50. Preservation demand continued. Correct email address noted.		

Gaps: asked and never answered

1. Off portal filings and the exact online location of each record (Oct 16 item, Oct 19 Part E): never addressed. The Oct 19 reply pointed to the portal only.
2. Compliance review by the SOS Elections Division (Oct 16): no response.
3. Ethics Commission review and penalty status (Oct 16, sent to info@ethics.state.ms.us): no response on file in the messages in hand. Confirm in mailbox.
4. PEER citizen request (Oct 16, sent to director@peer.ms.gov): no response on file. Confirm in mailbox.
5. FEC copy (Oct 16, cc enfcomplaint@fec.gov): no response on file. Confirm in mailbox.
6. Written denials with specific exemptions (Oct 16, Oct 19): none issued. The Nov 16 email says certain records do not exist but cites no exemption.
7. Receipt acknowledgment with tracking number for the Oct 19 supplemental: none. Oct 27 message was a status note only.
8. Itemized estimate before charges, per the Oct 16 $50 clause: the Nov 16 invoice was a lump sum with no item or task breakdown.
9. Closure notice after the Nov 16 decline (SOS Rule 4.1(J)): none received as of Nov 18.

Timing against the rules

1. Oct 16 request: 7 working days ran to about Oct 27. Response on Oct 19 was a portal pointer, not production, an estimate, or a denial.
2. Oct 19 supplemental: 7 working days ran to about Oct 28. First estimate arrived Nov 16, 20 working days later.
3. Nov 5 clarification answered the same day. Invoice promised by end of day arrived 11 days later.
4. Nov 18 new request: 7 working day clock runs to about Nov 27 (Thanksgiving Nov 26 excluded). Opened by Alana Magliolo at 11:17 AM Nov 18.

Still to add when the mailbox is read

10. Exact send times for rows 6, 8 and 9, and the mail client time zone.
11. Every open and read receipt Titan recorded, per message, with time and open duration.
12. Any reply from the Ethics Commission, PEER or FEC.
13. The Colom and Thompson request, if sent, and any reply.
14. Any other public records request in the account, by agency, with its own rows.
15. Attachment file names and sizes on every message.
